**DECLARATION**

By: Jeanne Webb

1. I, Jeanne Webb, verify under penalty of perjury under the laws of the United States of America that the following is true and correct. *See 28 U.S.C. § 1746.*

2. In the days following the June 24 Republican Primary Run-Off Election, I was part of a group of True the Vote volunteers who requested access to voting records from the Circuit Clerks of Rankin and Copiah Counties. The purpose of the request was to determine whether or not voters who had voted in the

EXHIBIT 5

Democratic Primary unlawfully double voted in the Republican Primary Run-Off Election and whether any other irregularities had occurred during the Election.

3. I made an oral request for voter pollbooks and absentee ballot applications in person at the Copiah County Circuit Clerk's office on July 7, 2014. Citing to Mississippi statute 23-15-911, Circuit Clerk Edna E. Stevens did not allow us to review unredacted records.

4. At Ms. Stevens request, I documented my oral request for records in a written "public information request." I made the request to Edna E. Stevens, the Circuit Clerk of Copiah County. In the request, I asked for a list of all republican and democratic voters who voted in person on election day or via absentee ballot in their respective primary and run-off elections. I further requested absentee ballot applications and envelopes and voter pollbooks.

5. I also made a request for records from the Rankin County Circuit Clerk's office on July 7, 2014.

6. I made an oral request for voter pollbooks from Circuit Clerk Becky Boyd.

7. Ms. Boyd denied us full access to voter pollbooks, but allowed public inspection of voter pollbooks only if the records were redacted of voter birthdates at a cost of \$.50/page or \$20/hour.

8. Based on my experience, I was unable to access or inspect complete voter records within Rankin and Copiah Counties.

9. Attached to this declaration are true and correct copies of the incident reports I completed regarding my visits to the Copiah and Rankin County Circuit Clerks' offices. The incident reports are filled out in my own handwriting and I recognize the writings as ones I completed based on their appearance, contents and substance. Included in the incident report regarding Copiah County is a true and correct copy of my written records request. I recognize it too as a document filled out in my own handwriting and a correct copy of the request I completed based on its appearance, contents and substance.

10. The attached incident reports were prepared by me to describe the events that occurred during my visits. I made the reports immediately after the events

described therein and when those events were fresh in my memory. Upon completing the reports, I gave it to True the Vote to maintain in its records.

11. Further, declarant sayeth not.

Signed on this the 6 day of August, 2014.

**DESCRIPTION OF INCIDENT**

Approx 3:45 pm on 7/7/14 arrived at Copiah County Court House. I spoke with Circuit Clerk Edna Stevens. I advised her I was a private individual and would like to review the Absentee Ballots of the June 24th Special Election. I was advised there was a group who was there who had just reviewed the ballots. She had just sealed the box and was not sure if she could unseal the box, there might be a possible time frame involved. She stated she had to call the Secretary of State to find out, but was tied up with the group reviewing the Poll Books and needed to be there to redact the DOB. She stated I could leave a Public Information Request of need material and she

Cont'd.

Edna also quoted statue 23-15-911 and stated she needed to contact the Secretary of State to verify if we could review the absentee ballots & poll books.

### TYPE OF INCIDENT

**DESCRIPTION OF INCIDENT** ON 7/7/2014 at approx: 1:15 PM while reviewing the Absentee Ballot Envelopes AND Application Requests I observed numerous ballots and/or applications which had been Accepted. These forms had issues which violated the statutory requirements for Accepted Absentee Ballots. Present with me at the time were four volunteers from the McDaniel Campaign. Rob Rall was the Lead Volunteer cell # (601)-624-9235 address: 4 Lake Barnett Dr. Brandon, MS 39047. The District #1 manilla envelope containing Accepted Ballot Envelopes AND Applications were being reviewed. A volunteer reviewing Precinct #9 & 10 showed me multiple applications which had no

reason on the application for voting by absentee ballot; also potential signature differences from application AND back of envelope

**REMEDY OR ACTION TAKEN** This volunteer also showed me multiple envelopes that had signatures NOT across the flap during our discussion about this issue, the Deputy Clerk Observing us stated, "it is NOT a requirement for the witness statement signature to overlap on the flap of the envelope". The other three volunteers continued to show me numerous similar irregularities. The <sup>one</sup> volunteer showed me an Accepted envelope which had the Ballot still enclosed in the envelope. I, myself found the same irregularities in the applications and ballot envelopes I was reviewing, however I did NOT have the opportunity to write down the specific voter

② <sup>the</sup> information and details ~~of~~ <sup>on</sup> irregularities because I was asked to leave by Rankin County Circuit Clerk Rebecca Boyd (601) 825-1466 <sup>at</sup> 1:15PM <sup>and</sup> certify and affirm that the above description is true and correct. 215 E. ## INCIDENT REPORT

Date: July 8, 2014

On July 8, 2014 between the hours of 9:05am and 11am, Gregg Prentice and I were in Circuit Clerk Rebecca Boyd's office. During this time period Mr Prentice and I were asking Ms Boyd questions about the election process, I asked a question about the large stack of ballots which we had observed on July 7, 2014 while sitting at the same table with the McDaniel Campaign volunteers who were reviewing material from the June 24, 2014 Special Election. (Rob Rall, team leader for the McDaniel volunteers advised me prior to opening a secured ballot box, Labeled: PRIMARY RUNOFF BALLOTS & ABSENTEE BALLOTS, AFFADAVITS (AFFADAVITS REJECTED), he inspected the box, Mr. Rall stated the front red plastic seal #000655 was not pulled tight and a person could reach their hand and forearm into the box. The box had an opening in the back which had a piece of plastic tape over the opening with a seal which crossed over the box and seal. The seal # was 294133. I did observe the back seal intact, the front seal was open. I did observe another box which was in a similar condition. The front seal was still secured on this box and I could open the top of the box and place my hand and forearm into the box. The box which had been opened, contained the affidavit envelopes, two absentee ballots, and a stack of rejected affidavit envelopes and large stack of accepted ballots. When the McDaniel group and Gregg Prentice; Julia Hoenig; Mike Rowley and myself counted these ballots the tally was Cochran (691) ballots; McDaniel (464) ballots and (1) non vote totaling (1156) ballots.) Circuit Clerk Boyd explained that paper ballots are only used for absentee voting or affidavit voting, during days of elections voters use electronic voting equipment. NOTE: The 1156 ballots had not been folded in a manner in which they could have been placed in an absentee envelope or an affidavit envelope, only approximately 10-20 ballots had been folded in half, however even these ballots would not have fit in either envelopes.

According to Circuit Clerk Boyd the procedure for the absentee ballots and the affidavit ballots is, once the ballots are completed by the elector, the ballots are placed in the appropriate envelopes and sealed. The envelopes are then given to the Election Commission Board who then opens the envelopes and removes the ballots. If this is the procedure where did these accepted ballots which had no folds in them come from??

Circuit Clerk Boyd agreed to provide Gregg and I copies of the Poll Books from the June 2014 Elections.

Circuit Clerk Boyd told an inmate trustee who was working in the office to go to the Supervisor of Elections office to pick up a package for her. Note the Supervisor of Elections office was in a building next door. While the inmate trustee was away, Circuit Clerk Boyd advised Gregg and I , we would not be able to see the date of birth information. When the inmate trustee returned to the office he was carrying two Poll Books, one blue binder for the democrats and one red binder for the republicans. NOTE: the Poll Books, where not sealed in an envelope or secured in any type container, just open for the inmate trustee to review the names and addresses and date of birth information of the electors listed in the Polls Books.

Page 2 of 2

When Circuit Clerk Boyd received the two Poll Books, which contained last names starting with the Letter A from Precinct #115, she opened the Red Poll Book and took a white-out stick and whited out all the date of birth's on the first page of the Poll Book so Gregg and I would not see the date of birth information.

NOTE: This was the Official Poll Book, which Circuit Clerk Boyd altered.

I certify and affirm that the above information is true and correct.

**DECLARATION**

By: Sandi Steinbacher

1. I, Sandi Steinbacher, verify under penalty of perjury under the laws of the United States of America that the following is true and correct. *See 28 U.S.C. § 1746.*

2. In the days following the June 24 Republican Primary Run-Off Election, I was part of a group of True the Vote volunteers who requested access to voting poll books from the Circuit Clerk of Madison County. The purpose of the request

EXHIBIT 7

was to determine whether or not voters who had voted in the Democratic Primary unlawfully double voted in the Republican Primary Run-Off Election and whether any other irregularities had occurred during the Election.

3. I made an oral request for the records in person at the clerk's office on July 7, 2014 for voter rolls. I requested access to voter rolls, absentee ballot applications, and voter pollbooks from Circuit Clerk Lee Westbrook, but was denied access to the complete set records we requested under Mississippi law.

4. The clerk's office later advised that, even if the records would be made available, the records would have to be redacted of voter birthdates as a cost of \$.25 per page.

5. Based on my experience, I was unable to access or inspect complete voter pollbooks, voter rolls and absentee ballot applications within Madison County.

6. Attached to this declaration is a true and correct copy of the incident report I completed regarding my visit to the Madison County Circuit Clerk's office. The incident report is filled out in my own handwriting and I recognize the writing as one I completed based on its appearance, contents and substance.

7. The attached incident report was prepared by me to describe the events that occurred during my visit. I made the report immediately after the events described therein and when those events were fresh in my memory. Upon completing the report, I gave it to True the Vote to maintain in its records.

8. Further, declarant sayeth not.

Signed on this the 6 day of August, 2014.
